## DUFFEL 65

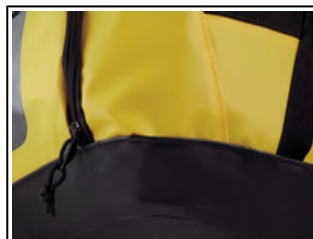

Designed to be carried in multiple ways, DUFFEL 65 is a convenient, ergonomic bag with a volume of 65 liters. The back and shoulder straps are padded for comfort when used as a backpack. Versatile, it can be carried in multiple ways with removable shoulder straps. The large opening allows easy access to equipment, including two pockets in the inner flap and a large side pocket for a helmet or shoes. A large transparent area allows rapid identification of the bag. It is constructed of high-strength TPU tarp material for intensive use.

Large D-shaped opening for easy equipment organization.

Large side pocket with zipper closure to separate the helmet, shoes, or other objects from the rest of the equipment.

The high-strength TPU (PVC-free) tarp material allows regular to intensive use.

Padded, adjustable back and shoulder straps for comfortable carrying.

---

**Short Description** Medium-capacity transport bag

---

**Selling Points**

- 65 liter transport bag, ergonomic and comfortable:
  - Padded back and shoulder straps for comfortable carrying
  - Two carry options: as a backpack or over the shoulder
  - Four compression straps to optimize bag volume and to reduce shifting of equipment during transport
  - Rapid buckles allow the shoulder straps to be completely removed
- Easy access to equipment:
  - Large D-shaped opening for easy equipment organization
  - Two pockets (one with a key clip) in the inner flap to organize documents and personal items
  - Large side pocket with zipper closure to separate the helmet, shoes, or other objects from the rest of the equipment
  - Transparent area for quick and easy identification of the bag
  - Four webbing handles around the bag for easy handling on all sides
  - Eight equipment loops inside the bag
  - Able to lock zippers with a padlock
- Excellent durability for intensive use:
  - High-strength TPU (PVC-free) tarp material for regular to intensive use; it is resistant to UV exposure (doesn't fade), to oil, grease and high and low temperatures, chlorine-free (no odor), and recyclable
  - Black bottom and sides are welded for abrasion and tear resistance
  - Shoulder straps with steel attachment buckles with anti-corrosion treatment
